## Frequently Asked Questions

**1. What programs do you recommend to prepare for the Admissions process (test and interview)?**

The Admissions department is not affiliated with ANY programs and/or tutors and does not make recommendations. What we do recommend is that, prior to taking the entrance test, all applicants review middle school English and Math course work and view the sample test on the Admissions website. Visit "Downloads" at the website ([www.bergen.org](http://www.bergen.org)) to see the sample. The interview process is a forum for our faculty to meet and speak with prospective students and learn about their interests.

**2. I am unable to log into the online application with my username and password. I am using the same username and password for the Open House Registration site. Why does my username and password not work?**

The Open House Registration and the Online Application sites are not linked. You must register at BOTH sites to be able to have access.

**3. Can the transcript and recommendation forms be printed before the application is complete? Does the essay have to be completed before the application is submitted? If an incomplete essay is entered in the essay box(es), will it be read before the deadline?**

These are some of the frequently asked questions that are asked by applicants as they work on their applications. The transcript and recommendation forms can **only** be printed once the application is submitted. In order to distribute these forms to the applicant's school in a timely manner, the applicant may enter a couple of "placeholder" words in the essay box(es), enter the reference names (Step 5) and proceed to "Submit" the application (Step 7). This will allow the applicant to print the school forms (Step 9). **However**, it is the applicant's responsibility to go back to the application (Open For Edit – Step 8) and complete the essay before the application deadline. The Admissions Committee does not read any essays until after the deadline. Note: Applicants **must** re-Submit (Step 7) every time they Open For Edit (Step 8) otherwise their Validation Number will NOT be valid.

**4. Do you accept additional recommendation letters outside of the attending middle school teachers in the application process?**

The Admissions Committee requires 3 recommendations from middle school teachers. If an applicant's first choice is Academy for Visual and Performing Arts, and would like to submit a letter from an Art/ Music / Theatre instructor, the letter may be mailed to Admissions Office, Bergen County Academies, 200 Hackensack Ave, Hackensack, NJ 07601. Otherwise, more recommendations are unnecessary.

**5. What should I bring with me on the day of my test?**

You must bring the following on the day of your entrance test: Admissions Test Ticket and a current school photo ID. If you do not have a current school ID, complete the Admissions Test Student Photo ID Form on the last page of this manual (page 5), three Number 2 pencils and an eraser. Students without the required photo ID or Admissions Test Ticket will NOT be permitted to take the test. On the day of the test, only applicants taking the test will be allowed into the building.

**6. May I bring a snack or water to the test?**

Applicants will not be allowed to eat during the test or during the short break. We have water fountains in the testing areas if needed. Please have a good breakfast / lunch before you arrive.

**7. May I bring my cell phone to the test?**

Use of calculators, cell phones and digital/smart watches will not be allowed during the test. You may bring your cell phone but it must be turned off (not silent) during the entire testing period including the break. A student found using a cell phone during the test will automatically have their application invalidated. See page 3 for items you are permitted to bring to the test.

**8. What should I do if I am ill on the day of the test?**

If you are ill on the test date, do not take the test. The make-up test date will be given during the following week. E-mail us at [Admissions@bergen.org](mailto:Admissions@bergen.org) to take the makeup test.

**9. Why does testing take so long?**

Testing takes approximately 2 hours and 45 minutes. Although the Math test is 60 minutes and the English test is 45 minutes, it takes time to seat all applicants, distribute testing materials, fill Scantron sheets and collect materials at the end of the test.

**10. I forgot I signed up for the morning session; what should I do?**

If you are unable to come to a session you have chosen, you may come in as a walk-in to another session. Please note that due to space limitations we are not always able to accommodate walk-ins. Afternoon sessions have more seats than the morning.

**11. It is snowing on the day of the test. Will the test be cancelled/ rescheduled?**

In the event of inclement weather, the test may be postponed to a subsequent weekend. A recorded message will be available at 201.343.6000 ext. 2321 and information will be posted on our website at [www.bergen.org/admissions](http://www.bergen.org/admissions).

**12. I have a 504 Plan/ IEP and need accommodations for the entrance test. What should I do?**

Please have your Case Manager/Child Study Team complete the Case Manager Form (located in the application Step 9) and **follow the instructions** to email the form to Mr. Bercovici, School Social Worker, by December 12, 2019.
