## Frequently Asked Questions

### 1. What programs do you recommend to prepare for the Admissions process (test and interview)?

The Admissions department is not affiliated with ANY programs and/or tutors and does not make recommendations. What we do recommend is that, prior to taking the entrance test, all applicants review middle school English and Math course work and view the sample test on the Admissions website. Visit "Downloads" at the website ([www.bergen.org](http://www.bergen.org)) to see the sample. The interview process is a forum for our faculty to meet and speak with prospective students and learn about their interests.

### 2. Can the transcript and recommendation forms be printed before the application is complete? Does the essay have to be completed before the application is submitted? If an incomplete essay is entered in the essay box(es), will it be read before the deadline?

These are some of the frequently asked questions that are asked by applicants as they work on their applications. The transcript and recommendation forms can **only** be printed once the application is submitted. In order to distribute these forms to the applicant's school in a timely manner, the applicant may enter a couple of "placeholder" words in the essay box(es), enter the reference names (Step 4) and proceed to "Submit" the application (Step 7). This will allow the applicant to print the school forms (Step 9). However, it is the applicant's responsibility to go back to the application (Open For Edit – Step 8) and complete the essay before the application deadline. The Admissions Committee does not read any essays until after the deadline. Note: Applicants **must** re-Submit (Step 7) every time they Open For Edit (Step 8) otherwise their Validation Number will NOT be valid.

### 3. Do you accept additional recommendation letters outside of the attending middle school teachers in the application process?

The Admissions Committee requires 3 recommendations from middle school teachers. If an applicant's first choice is Academy for Visual and Performing Arts, and would like to submit a letter from an Art/ Music / Theatre instructor, the letter may be mailed to Admissions Office, Bergen County Academies, 200 Hackensack Ave, Hackensack, NJ 07601 or emailed to [Admissions@bergen.org](mailto:Admissions@bergen.org). Otherwise, more recommendations are unnecessary.

### 4. When can I register for my test?

Due to the limitations of online testing, we are unable to have applicants choose their test date and time. We will be selecting your test date and time for you. Please keep both Saturday, January 9, 2021 & Sunday January 10, 2021 available between the hours of 9:30 a.m. to 3:00 p.m. By December 21, 2020, you will receive an email providing your scheduled test date & time.

### 5. What should I do if I am ill on the day of the test?

WE EXPECT ALL APPLICANTS TO MAKE EVERY EFFORT TO ATTEND THEIR SCHEDULED TEST DATE & TIME.

If you are unable to test due to illness or for an unforeseen emergency, you must email [Admissions@bergen.org](mailto:Admissions@bergen.org) on January 11, 2021 and provide documentation/doctor's note for verification. We will provide you with the make-up test date.

### 6. How long is the online test?

Testing takes approximately 2 hours. You will take the English test first and then the Math test.

### 7. Are there any reasons for a test to be rescheduled?

In the event of power failure, the test may be postponed to a subsequent weekend. A recorded message will be available at 201.343.6000 ext. 2321 and information will be posted on our website at [www.bergen.org/admissions](http://www.bergen.org/admissions).

### 8. I have a 504 Plan/ IEP and need accommodations for the entrance test. What should I do?

Please have your Case Manager/Child Study Team complete the Case Manager Form (located in the application Step 9) and **follow the instructions** to email the form to Mr. Bercovici, School Social Worker, by December 14, 2020.

### 9. When will I receive my exam results?

All students will be notified in February about whether they will continue in the application process Phase 2. Test scores are NEVER released to applicants or parents/guardians.
